"I've been craving something sweet and spicy all day. I want something hearty, but not heavy. I'm so looking forward to relaxing and enjoying a tasty meal."

"I read an article about a new restaurant that has some uniquely creative dishes on their menu. I'm really excited to check it out with some friends this weekend"

“I don’t like to spend too much money or effort making decisions on what to eat everyday, so I plan ahead or just stick to my go-to’s that I know and like”
